

# TRI NATURE

A fresh naturally derived floor cleaning concentrate that gently lifts contaminations to leave even the most delicate floors sparkling clean. Made using the latest eco-responsible technology, this product uses responsibly sourced plant-based ingredients.

A rich and luxurious plant based polish for furniture. Ideal for use on natural wood, laminated surfaces, vinyl, and leather.

Sanazone Odourless disinfectant is a fragrance-free, food-safe, naturally derived disinfectant and hard surface cleaner boosted with a synergistic blend of antimicrobial plant extracts to quickly and completely disinfect all hard surfaces.

A highly concentrated plant based conditioning lotion designed specifically to polish stainless steel surfaces, leaving the surface sparkling clean with a rich protective lustre. Stainless steel is prone to tarnishing and water marks so polish regularly with this remarkable eco product to restore shine without the need for harsh chemicals abundant in most supermarket products.
